MAGNETIC TRACK DUAL - DOWN WALL WASH LINEAR MODULE

Rev. Date: 10/21/2026

Project:	Type:
	Comments:

Highlights

The TechoLED Magnetic Track Dual System is a creative and flexible architectural lighting solution, with track on both the top and bottom. The track has virtually unlimited capability to create continuous runs and patterns. Light components—ranging from solid linear, louver, and wall washer to adjustable spotlights and pendant cylinders—snap into the track magnetically and can be repositioned by hand without tools. It is a superb and creative lighting solution for any modern interior.

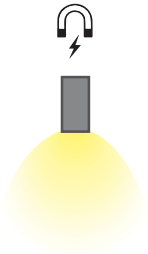

LED: Osram & Cree LED Chips, 2700-5000K, dim-to-warm and tunable white available, 90+ CRI

Optical: Direct illumination, wall wash distribution

Construction: High grade aluminum extrusion, PC diffuser, powder coat finish, custom finishes available, 24V remote driver

5-year limited warranty

Installation
